My Cat

She is lazy
She is fat
But she is also crazy.

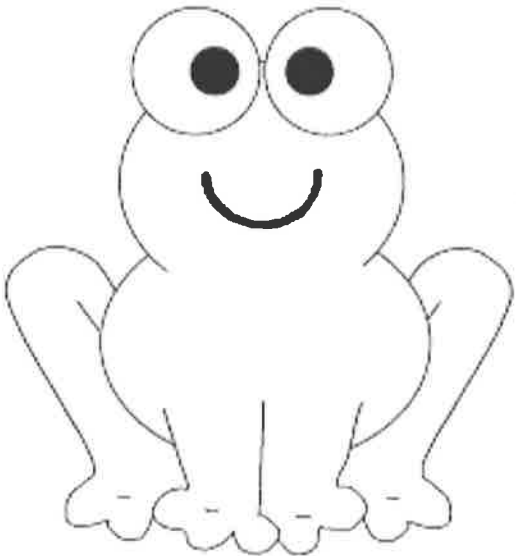

She is black
White
And light brown.

I like to cuddle her
I like to pet her
I like to sleep with her.
Clearly I like my cat.

A Frog a Log and a Dog

There was a frog
He sat on a log
Along came a dog
And they became best friends

I Have A Little Teddy-Bear.

He is white

**He is a polar-bear
I like to sleep with him
I love my teddy- bear**
