You know the T-Rex is strong,  
so will he win the epic battle  
against a triceratops?

Ready, set, go! Topsy the  
Triceratops runs at the T-Rex but  
the T-Rex smacks the Triceratops  
with his tail.

**Topsy's three horns got stuck in a tree. He pulls and pulls. Finally, he is out.**

T-Rex tries to bite him but Topsy jumps and T-Rex's neck gets stuck between the triceratops's horns.

**T-Rex was choking! He swung his head. Topsy went flying.**

The T-Rex runs fast. He steps on  
the triceratops. Topsy is as flat as  
a pancake.

Finally, the T-Rex gets a bite and  
he wins!
