The Pocantico Hills Central School District includes properties in parts of the towns of Mount Pleasant and Greenburgh. Values for the 2018-2019 school year, based on the currently published assessment rolls for 2017*, were projected based on the following information:

The total assessed value for the Town of Mount Pleasant is based on \$25,841,050. The total assessed value for the Town of Greenburgh is based on \$1,010,341,758.

The equalization rate for the Town of Mount Pleasant is 1.43%. This is a decrease from the 2016 equalization rate of 1.52%. The equalization rate for the Town of Greenburgh is 100.00%.

The market value for Mount Pleasant is \$1,807,066,434, or 64.14% of the District total, and the market value for Greenburgh is \$1,010,341,758, or 35.86% of the District total. The total market value for the District is \$2,817,408,192.

Tax rates for each town were calculated as \$636.65 for Mount Pleasant and \$9.10 for Greenburgh. These are the rates property owners will pay per \$1000 of assessed value.

*Please note that assessed values used in the calculation above are estimates provided to the District reflecting prior and anticipated tax certiorari settlements, and

Pocantico Hills Central School District

Adopted Budget Report
Fiscal Year 2018-2019

Significant Budget Items

Employee Salaries:

The education of children is heavily reliant upon the hard work of people employed by the District, including instructional and non-instructional staff. Our instructional staff provides quality education opportunities for our students and our non-instructional staff provides support services such as transportation, food service, maintenance and cleaning, and office support. The majority of employees within the District are represented by collective bargaining units; the Pocantico Hills Teachers' Association (PHTA) and the Civil Service Employees' Association (CSEA). The total allocation for employee salaries in the 2018-2019 budget is \$8.4 million, or approximately 26.8% of the total budget.

Employee Benefits:

There are various employee benefits that districts are required to provide, some of which are required by law (such as the employer share of Social Security taxes and workers' compensation insurance) and others that are required as a result of collectively bargained employee contracts (such as health insurance, life insurance, and dental and optical insurances). In total, these items account for \$3.6 million of the 2018-2019 budget, which is approximately 11.5% of the total budget.

New York State Retirement System:

Full-time employees of school districts are required to join one of the New York State retirement systems; the Teachers' Retirement System (TRS) for instructional staff, and the Employees' Retirement System (ERS) for non-instructional staff. Employees contribute to the retirement system as required by law, but districts are also responsible for contributions. Retirement system costs accounted for \$1.1 million in the 2018-2019 budget, or approximately 3.5% of the total budget.

Debt Service:

Debt service is the amount of budgetary appropriations needed to pay the principal and interest on the District's short- and long-term bonds. Any borrowing of funds by the District has been approved by the public, either through the approval of the annual budget or through the approval of a specific capital project bond vote. Total appropriations for debt service in the 2018-2019 budget is \$1.5 million, or approximately 4.8% of the total budget.

Incarcerated Youth Program:

Pocantico Hills serves as the administrator of the Incarcerated Youth program on behalf of New York State. The District is reimbursed in full for these services, plus a 5% administrative fee. The 2018-2019 budget includes a budget of \$2.2 million for this Program, which is approximately 7% of the total budget.

High School Tuition:

Pocantico Hills pays tuition for its students in grades 9 through 12 to attend their choice of one of three high schools: Sleepy Hollow, Pleasantville or Briarcliff. In return, we pay tuition to the high schools based on their non-resident tuition rates as set by New York State. The 2018-2019 budget includes \$5.4 million for high school tuition costs, or approximately 17.2% of the total budget.

Special Education:

Per federal law and state regulations, school districts are responsible to fund the costs associated with educating students with disabilities, including special programs and individualized services related to their specific needs. In addition to employee salary costs included above, the 2018-2019 budget includes \$4.5 million, which is approximately 14% of the total budget.

The items listed above account for a total of \$26.7 million, which is approximately 84.8% of the total budget for the 2018-2019 school year. After considering another \$1.5 million for various budget items including transportation, facilities, transfers to other funds, utilities, property taxes, textbooks and insurance, the total amount is approximately \$28.2 million, or 91% of the total budget.

Enrollment

District-wide enrollment in grades Pre-K through 12 is expected to remain steady from 2017-2018 to 2018-2019. Our graduating class of 33 is expected to be offset by an incoming Pre-K class of 33. For grades Pre-K through 8, enrollment will decrease by 1 student and students moving into high school will increase by 2. Private placements are expected to drop by 2 students.

Total estimated student enrollment	473	481	472	-1

**2017-2018 Actual is as of BEDS day; enrollments fluctuate throughout the year. The 2018-2019 estimate considers current enrollment as the basis of the estimate, and our current enrollment includes 8 less students than BEDS day enrollment.

High School Tuition

High school enrollment for 2018-2019 is expected to hold steady at 129 students. Our budget allows for rate increases and potential new students entering the District.

Tuition rates that Pocantico Hills pays to our partner high school districts are based on the Non Resident Tuition rates (NRT) calculated by the New York State Education Department, based on financial information derived from the financial statements of the respective high school districts. The rates used in the 2018-2019 budget are estimates, because final financial information for the 2017-2018 school year is not yet known. Rates for 2018-2019 have been projected to increase approximately 5%, based on trends.
