Pocantico Hills Central School District

Draft Budget Report
Fiscal Year 2019-2020

Significant Budget Items

Employee Salaries:

The education of children is heavily reliant upon the hard work of people employed by the District, including instructional and non-instructional staff. Our instructional staff provides quality education opportunities for our students and our non-instructional staff provides support services such as transportation, food service, maintenance and cleaning, and office support. The majority of employees within the District are represented by collective bargaining units; the Pocantico Hills Teachers' Association (PHTA) and the Civil Service Employees' Association (CSEA). The total allocation for employee salaries in the 2019-2020 budget is \$8.9 million, or approximately 28.4% of the total budget.

Employee Benefits:

There are various employee benefits that districts are required to provide, some of which are required by law (such as the employer share of Social Security taxes and workers' compensation insurance) and others that are required as a result of collectively bargained employee contracts (such as health insurance, life insurance, and dental and optical insurances). In total, these items account for \$3.8 million of the 2019-2020 budget, which is approximately 12.2% of the total budget.

New York State Retirement System:

Full-time employees of school districts are required to join one of the New York State retirement systems; the Teachers' Retirement System (TRS) for instructional staff, and the Employees' Retirement System (ERS) for non-instructional staff. Employees contribute to the retirement system as required by law, but districts are also responsible for contributions. Retirement system costs accounted for \$1.0 million in the 2019-2020 budget, or approximately 3.3% of the total budget.

Debt Service:

Debt service is the amount of budgetary appropriations needed to pay the principal and interest on the District's short- and long-term bonds. Any borrowing of funds by the District has been approved by the public, either through the approval of the annual budget or through the approval of a specific capital project bond vote. Total appropriations for debt service in the 2019-2020 budget is \$1.5 million, or approximately 4.8% of the total budget.

Incarcerated Youth Program:

Pocantico Hills serves as the administrator of the Incarcerated Youth program on behalf of New York State. The District is reimbursed in full for these services, plus a 5% administrative fee. The 2019-2020 budget includes a budget of \$2.0 million for this Program, which is approximately 6.3% of the total budget.

High School Tuition:

Pocantico Hills pays tuition for its students in grades 9 through 12 to attend their choice of one of three high schools: Sleepy Hollow, Pleasantville or Briarcliff. In return, we pay tuition to the high schools based on their non-resident tuition rates as set by New York State. The 2019-2020 budget includes \$5.2 million for high school tuition costs, or approximately 16.4% of the total budget.

Special Education:

Per federal law and state regulations, school districts are responsible to fund the costs associated with educating students with disabilities, including special programs and individualized services related to their specific needs. In addition to employee salary costs included above, the 2019-2020 budget includes \$4.3 million, which is approximately 13.9% of the total budget.

The items listed above account for a total of \$26.7 million, which is approximately 85% of the total budget for the 2019-2020 school year. After considering another \$1.7 million for various budget items including transportation, facilities, transfers to other funds, utilities, property taxes, textbooks and insurance, the total amount is approximately \$28.4 million, or 90% of the total budget.

High School Tuition

High school enrollment for 2019-2020 is projected to be at 124 students. Our budget allows for rate increases and potential new students entering the District.

Tuition rates that Pocantico Hills pays to our partner high school districts are based on the Non Resident Tuition rates (NRT) calculated by the New York State Education Department, based on financial information derived from the financial statements of the respective high school districts. The rates used in the 2019-2020 budget are estimates, because final financial information for the 2018-2019 school year is not yet known. Rates have been projected to increase approximately 2% for the 2019-2020 school year.
