

POCANTICO HILLS CENTRAL SCHOOL DISTRICT

BOARD OF EDUCATION GOALS

2019-2020

1. Support Ongoing Student Growth and Achievement

- a. Refine qualitative and quantitative measures, assess high school readiness, and support the continued work of the District Data Team.

2. Strengthen District Technology Plan

- a. Assess readiness, capability, and security of information technologies, and establish a clear vision for improving systems and experiences for all stakeholders.

3. Enhance Community Engagement

- a. Assess current strategy and develop actions to further strengthen and create new avenues for community engagement.

4. Develop a Facility Project Proposal

- a. Enact an overarching multi-year strategy to maintain and improve the physical plant with a focus on strong fiscal stewardship, site safety, enhancing the learning environment, and reducing our environmental impact.
