

The Pocantico Hills PTA WELCOMES YOU BACK!

8 AWESOME THINGS THE PTA DOES FOR YOUR CHILD and the Pocantico community

The PTA:

1. ...Coordinates family events such as the Pre-K Meet & Greet, Welcome Back Social, Halloween Party, Spring BBQ, and more!
2. ...Sponsors the after-school enrichment program, POCADEMY. This enrichment program, focused around STEAM (science, technology, engineering, applied arts, mathematics) offers innovative learning opportunities for our students.
3. ...Sponsors and assists with assemblies and activities to enrich your child's curriculum, such as performances, author visits, truck day, and more.
4. ...Offers all teachers the opportunity to receive grants for special materials for their classroom that may not be covered by the current school budget.
5. ...Hosts the Golden Guest Luncheon & Concert for the senior citizens of Pocantico Hills to enjoy the school and performance.
6. ...Shows appreciation to your child's teacher with a Teacher and Staff Appreciation Luncheon.
7. ...Offers anonymous help to Pocantico families with the Greenburgh/Elmsford Community Action Program.
8. ...Raises funds through the Yankee Candle Sale, Book Fair, Holiday Pie Sale, and Pack-to-School Supplies Program, so you have the opportunity to shop while also supporting your child's school!

There are so many great reasons to get involved, and so many ways.

JOIN

The most important step in making sure our PTA continues to underwrite and subsidize the many wonderful programs and services for all of our children is for you to become a PTA member. As a member, you can bring your ideas and suggestions to the table, in a safe and nurturing environment. Be a voice in your child's school. Online membership: <https://poco.memberhub.store/>

VOLUNTEER

Another way to help is through volunteering. We are always looking for helping hands at PTA and other school events. An hour here or a dessert there can help make our events successful.

PARTICIPATE

By participating in our fundraisers, you will help us raise the monies needed to maintain our current level of services. By participating in our family events, you will strengthen your school community and meet your child's classmates and friends.

Thank you!
