## **PREAMBLE**

This Agreement is made and entered into on June 14, 2014 by and between the Board of Cooperative Educational Services, Sole Supervisory District of Westchester County (hereinafter called the “Board”) and the BOCES Teacher Aide Association (hereinafter called the “Association”) pursuant to Article 14 of the Civil Service Law.

## **ARTICLE I – RECOGNITION**

The Board recognizes the Association for the purposes of Article 14 of the Civil Service Law as the exclusive representative of all personnel holding the title of Teacher Aide who are employed on a basis of half time or more.

## **ARTICLE II – DUES DEDUCTION**

The Board agrees as herewith provided to deduct from compensation due the employees represented by the association and remit to the association the Association membership dues and the dues of other professional associations indicated by each member thereof who authorizes such deductions by means of the presentation to the Board of a written signed document. Such authorization shall be continuous unless revoked in writing. All such dues authorized to be deducted by such documents received by or on file with the Board before October 31 in any one school year shall be deducted from the compensation due the authorizing employee in equal even dollar amounts (or as equal as possible) between the period of November 1 and May 1. For documents received after October 31, deductions shall be made in the same manner during the inclusive months. Remittance by the Board to the Association shall be made in six payments; one at the end of each month of dues deductions.

The Board agrees that in the event it agrees to include an “agency fee” provision in its contract with the BOCES Teachers Association the same provision shall apply to this Agreement. Such provision shall become effective for this Agreement at the same time it becomes effective for the Teachers Association contract.

The Association hereby holds the Board of Education and the District harmless for any funds deducted pursuant to this provision. If for any reason the rebate procedure the Association has in place is deemed unlawful by an appropriate agency or court, the District shall no longer have an obligation to deduct agency shop dues until such time as the Association’s rebate procedure is deemed lawful by an appropriate agency or court.

### **ARTICLE III – ASSOCIATION RIGHTS**

- A. Leave to Attend Association Duties – The equivalent of three days per year shall be allotted to the 1<sup>st</sup> Vice President of the Association for his or her use and/or the use of his or her designee to allow them to engage in activities directly related to the Association’s duties as representative of the teacher aides which cannot be performed other than during the school day/work day.
- B. Association Meetings – The Association may use Board facilities for Association meetings after school hours on making appropriate application by means of building use forms. Association meetings shall not interfere with scheduled staff meetings. The fee for use of facilities shall be waived but the charge for custodial services shall apply if custodial services are required.
- C. Bulletin Board Space – Bulletin board space shall be provided in each BOCES school building for the purpose of displaying notices, circulars and other material relating to the proper business of the Association. The Association shall post no material that is confidential in nature or derogatory to the school system. The bulletin boards used for this purpose may be the same ones provided for use by the BOCES Teachers Association.
- D. Communications – The Association shall have the use of the interbuilding mail service for distribution of materials.
- E. Names of Members of the Unit – The Board shall make available to the Chairperson of the Association the names, titles, salaries and centers of new members of the bargaining unit after their appointment by the Board.
- F. The Association is not permitted to use BOCES stationary supplies or copy machines for Association business.

### **ARTICLE IV – TEACHER AIDE EVALUATION AND FILES**

- A. Teacher Aide Evaluation
  - 1. Each teacher aide shall be evaluated by their supervisor at least once each year and shall be given an evaluation report in writing. The evaluation report shall be reviewed with the teacher aide within a reasonable period of time after its issuance.
  - 2. The supervisor shall sign the evaluation form first. The aide will be the last person to sign it. Supervisors shall discuss/review the evaluation in consultation with the teacher prior to it being shared with the aide by the supervisor.
  - 3. Prior to the supervisor sharing the form with the aide, the supervisor shall maintain a copy of the form for his or her records showing the signature of the supervisor.

4. The teacher aide should receive from the supervisor both the original and one copy of the form.
5. It is the responsibility of the Director or his/her designee to ensure that the original signed evaluation is submitted to the Human Resources office for the employee's personnel file.
6. Teacher aides have a right to submit a written response to an evaluation report. The response must be submitted within 15 school days of the receipt of the report. This submission shall be attached to the original, signed evaluation in the employee's personnel file.
7. A committee composed of an equal number of administrators and teacher aides, which aides shall be appointed by the President of the Association, shall be organized if necessary to review existing evaluation forms.
8. A copy of the teacher aide evaluation format will be given to the teacher aide at the beginning of each school year or as new aides begin employment.
9. Teacher aides who have concerns or questions related to their own job performance are requested to contact the supervisor or principal of their program to discuss these matters by January 30 of the school year or within 90 days of the date of hire. None of the foregoing is intended to prevent a supervisor or teacher from raising a concern with an aide's performance after January 30 or after 90 days following the date of hire.
10. Teachers will be requested to discuss concerns related to the job performance of teacher aides in their class with their supervisor or principal by January 30 of the school year or within 90 days of the date of hire. The aide will be notified of any deficiencies or suggested areas for improvements by January 1. None of the foregoing is intended to prevent a supervisor or teacher from raising a concern with an aide's performance after January 30 or after 90 days following the date of hire.
11. Upon completion and signature of the evaluation form by the appropriate supervisor, the original and one copy will be given to the teacher aide for signature by May 15 of the school year. The aide's signature does not mean agreement.

#### B. Teacher Aide Files

1. The teacher aide file shall be maintained by the Board and should contain at least the following records:
  - a) Application for employment and/or letters of application.
  - b) Official transcripts, if any.
  - c) Records relative to sick and/or personal leave and maternity leaves of absence.
  - d) Evaluations and other material relating to the teacher aide's performance.

- e) Copies of salary notices and authorizations for deductions.
  - f) Copy of Oath of Allegiance.
2. Any material relative to a teacher aide's conduct, service, character or personality written by an administrator or supervisor within BOCES or by an administrator of a component school district shall not be placed in his or her personnel file or communicated to a third party unless the teacher aide has had an opportunity to review the material. "Third party" in this provision shall not be deemed to include members of the secretarial staff or the director or assistant director of a division. Any written communication which is not made a part of the teacher aide's personnel file within 20 business days (Administrative Calendar as approved by the Board of Education) of the occurrence involved or the date such an occurrence became known to the administrator of the component district, or BOCES administrator, whichever is later, cannot be utilized in evaluation of a teacher aide's conduct, service, character or personality. The teacher aide shall acknowledge that he or she has had an opportunity to review the material by affixing his or her signature to the copy to be filed with the express understanding that such signature in no way indicates agreement with the content thereof. The teacher aide shall also have the right to submit a written answer to such material and his or her answer shall be reviewed by the Superintendent, or his designee, and attached to the file copy.
  3. A teacher aide shall be notified personally or by note within three business days of any formal complaint by parents of a student or by a student. Mailing of a note to an absent teacher aide shall constitute notice. The teacher aide shall be afforded an opportunity to reply to the complaint. No complaint, letter or report shall be placed in a teacher aide's file without the teacher aide's knowledge and without an opportunity to meet with the complainants, whenever possible. The teacher aide shall also have the opportunity to make a written statement to be attached to the original complaint.
  4. Material shall be removed from the files when a teacher aide's claim that it is inaccurate as to factual matter is sustained by the District Superintendent or his/her designee.
  5. Teacher aides shall have the right upon reasonable written notice to review the contents of their personnel file in the presence of the Assistant Superintendent for Human Resources or his/her designee, and to make a copy, reproduced at ten cents per copy, of any document in it. Pre-employment materials classified as confidential, such as letters of reference and placement folders, shall be removed from the file before review. A teacher aide shall be entitled to have a representative of the Association accompany him or her during such review.

## **ARTICLE V – WORKDAY**

- A. The workday for teacher aides shall not exceed seven hours except in district classes wherein aides will work the same workday as teachers to whom they are assigned. For those aides whose day is divided between two locations, their workday shall not exceed seven hours commencing with the beginning time in the first location. This provision is not intended, however, to require planning/preparation time for teacher aides. If so directed by their

supervisor, teacher aides may be required to attend staff meetings, parent conferences and conferences with supervisors for evaluation purposes after the workday. Teacher aides may be required to care for children after the workday only in unusual circumstances such as class trips.

- B. Full-time teacher aides assigned to District classes shall have the same amount of duty-free lunchtime each day as the teacher with whom he or she works. All other full-time teacher aides shall have 30 minutes of duty-free lunchtime each day.
- C. All full-time teacher aides shall have 15 minutes of break time each day, such time to be scheduled by the appropriate supervisor.
- D. All members will sign in and out in the building for which they are assigned. This procedure is for safety concerns only and in no circumstance will the procedure be used for any form of discipline on any member.
- E. All teacher aides are required to wear BOCES identification tags at all times in all locations.

## **ARTICLE VI – COMPENSATION**

- A. **Teacher Aide Salary Schedule – Staff Development Plan**  
The Teacher Aide salary schedules for each year of the Agreement are attached hereto as Appendix “A” and made a part hereof.

Any teacher aide hired after July 1, 2014 will be placed on the Salary Schedule located in Appendix “B” of this Agreement.

Unit members hired effective July 1, 1997, will be required to participate in the following numbers of staff development days beyond the school calendar:

The Appendix “B” Salary Schedule shall reflect when step increases shall be earned and awarded for teacher aides on that schedule. It is further understood that should an aide be out on unpaid leave status for ten consecutive school months the aide will remain on step and not move to the next step until the following September 1 after his or her return.

Wage increases for those teacher aides hired prior to July 1, 2014 and who worked in the school year in which a wage increase is provided:

- a) For 2011-2012: 0%
- b) For 2012-2013: 0%

Additional increments shall be calculated in the same manner for the beginning of the 15<sup>th</sup>, 20<sup>th</sup> and 25<sup>th</sup> years of service.

For teacher aides hired prior to June 30, 2014 the longevity payments are:

Year 10	Year 15	Year 20	Year 25
\$1,275	\$1,475	\$1,675	\$1,875

For those teacher aides hired after July 1, 2014 the longevity payments are:

Year 20	Year 25	Year 30
\$1,475	\$1,675	\$1,875

- C. Differential When Serving as Teacher or Teaching Assistant Substitute – If a teacher aide serves as a substitute for a teacher or teaching assistant who is absent, the teacher aide will be paid at a daily rate of \$65 over and above his or her regular daily rate. If no substitute is available to replace the aide, then the aide will be paid at a daily rate of \$70 over and above his or her regular daily rate.
- D. Summer Employment – “Unit members employed by the Board for a full six (6) hour day for summer school during July and/or August shall be paid at the daily rate of 1/270<sup>th</sup> of the prior year’s base salary.”

**ARTICLE VII – TEACHER AIDE ASSIGNMENTS AND TRANSFERS**

- A. Involuntary Transfers – Before a teacher aide is transferred, he or she shall have the opportunity to discuss the reasons for such transfer with his or her appropriate supervisor and/or Director.
- B. Voluntary Transfers – Teacher aides who desire a change in assignment or transfer shall file a written request with the appropriate Director or his or her designee. When a vacancy exists in the area requested, the teacher aide shall be given consideration over non-employee applicants. However, any decision regarding the filling of a vacancy made by the Administration shall be final and not subject to review.

- C. Notification of Tentative Assignment – The Board will endeavor to notify teacher aides soon after May 31<sup>st</sup> of their tentative assignment for the following year.
- D. Posting of Vacancies – During the school year the District Superintendent or his/her designee shall have distributed to Association representatives of all BOCES owned or leased properties a current list of teacher aide vacancies. The same shall also be forwarded to the 1<sup>st</sup> Vice President of the Association. During July and August, if teacher aide vacancies occur, the 1<sup>st</sup> Vice President of the Association shall receive a list of such vacancies.

#### **ARTICLE VIII – REDUCTION IN FORCE**

- A. If the Board abolishes a teacher aide position or positions, layoff of aides shall be in inverse order of seniority. For this purpose seniority shall be defined as total continuous service with the Board.
- B. When a teacher aide’s position is abolished, he or she shall be entitled to the position vacated by the least senior teacher aide who is being laid off. There is no right to bump other teacher aides who remain on staff.
- C. Teacher aides employed in programs which require the ability to speak a language other than English are excluded from the provisions of this Article.
- D. Teacher aides who are laid off shall be called first if work as a per diem substitute aide is available. When serving in this capacity, members of the bargaining unit shall receive the rate of pay for substitute aides.
- E. Recall to positions shall be determined on the basis of seniority. Failure to accept an offer of reemployment within fifteen (15) working days of the date of the written offer of reemployment will result in forfeiture of the bargaining unit member’s placement on the preferred eligible list. In any event, recall eligibility ends after four (4) years.
- F. A teacher aide to be laid off because of a reduction in force shall be notified in writing sixty (60) days in advance of the effective date of layoff, whenever possible.

#### **ARTICLE IX – LEAVES OF ABSENCE**

- A. Sick Leave
  - 1. Ten days for sick leave shall be granted each year to regular full-time and part-time teacher aides working 10 months in a school year. Twelve days for sick leave shall be granted each year to regular full-time and part-time teacher aides working 10 months in a school year upon completion of 10 years of service.
  - 2. Unused sick leave will be cumulative up to 200 days.

3. After four consecutive workdays of illness, a medical certificate may, upon request of the supervisor, be required. Such medical certificate shall indicate that the teacher aide is physically able to assume all the regular duties of his or her position, the reason for the absence, or if not able to return at that time give some indication of when the teacher aide may be able to resume regular duties and give the extent and nature of the illness. If the teacher aide is not able to return within ten consecutive workdays of the initial absence then a second certificate will be required upon return stating that he or she is physically able to assume all the regular duties of the position. A supervisor may request medical certification for any sick leave absence of any duration that precedes or follows a holiday or scheduled BOCES vacation.
4. Sick Leave Bank – A sick leave bank will be made available, as provided in this section, for those members of the bargaining unit disabled due to serious long-term illness or injury.
  - a) Eligibility -- The bank shall be available only to members of the bargaining unit who have completed at least three years of employment with the Board, who have exhausted all leave time and who have contributed to the bank during the most recent round of contributions.
  - b) Contributions
    - 1) Membership in the sick leave bank is voluntary. Except as provided herein, the bank shall be entirely made up of contributions from members of the bargaining unit. Effective upon the execution of this agreement each eligible member of the bargaining unit shall be given the opportunity to contribute two days of accumulated sick leave to the bank. Thereafter eligible members shall have the opportunity to contribute one day of accumulated sick leave to replenish the bank when the number of days available for withdrawal is reduced to 75 days. Each employee participating in the bank will be notified that an additional day is needed and that one sick day will be deducted from the aides' sick leave accruals, unless the employee notifies the Human Resource Office by a set date as provided in the notice that they do not want to participate in the Sick Leave Bank any longer.
    - 2) Upon commencement of the fourth year of employment members of the bargaining unit shall have the opportunity to join the bank by contributing two days of accumulated sick leave. Thereafter, a member may join the bank by contributing two days from accumulated sick leave only at the beginning of a subsequent school year (no later than September 15).
    - 3) Upon initial contribution by eligible members a one-time employer contribution to the bank shall be made by the Board on the basis of one sick day for each two contributed by members from accumulated sick leave. Thereafter, no employer contributions will be made even if no days are available from member contributions.
    - 4) Any teacher aide may, at his/her discretion, contribute an annual total of five (5) sick days in addition to the contributions described above.

- c) Application -- Application for withdrawal of days from the bank by an eligible member shall be made to the Office of the Assistant Superintendent for Human Resources. The application shall state the nature of the illness or injury in question, the number of days sought to be withdrawn and will be accompanied by appropriate medical verification.
- d) Upon receipt of the application for withdrawal of days, a committee consisting of two representatives appointed by the Union and two representatives appointed by the BOCES will meet. The committee will review the application to confirm that the disability qualifies as a serious long-term illness or injury and to approve the use of sick bank days. The applicant will be notified in writing of the committee's decision. The administration of the bank shall be subject to the grievance procedure.
- e) Maximum Withdrawal – An eligible member may withdraw no more than 60 days from the bank in any one-year period, subject to the availability of days in the bank. An eligible member may withdraw no more than 180 days from the bank during his or her lifetime employment at SWBOCES, subject to the availability of days in the bank.

## B. Personal Leave

1. Three days are allowed as personal leave.
2. For two of the three days reasons for personal leave is not required. One personal leave day may be granted when the reason for the requested leave days are specified and approved by the Assistant Superintendent for Human Resources or his/her designee. Occupational Education and Special Education staff members should call the Director's Office in accordance with the policy of each department prior to being absent. Notice must be given at least three days in advance in order to be eligible for personal leave except in the case of emergency.
3. Personal leave requests shall not be honored on days preceding or following holidays or vacations unless an emergency prevails. The Assistant Superintendent for Human Resources shall determine if a request shall be considered under the "emergency" provision. Requests for emergency consideration shall be pre-filed in writing when possible. When pre-filing of "emergency" requests in writing is not possible, a written request shall be addressed to the Assistant Superintendent for Human Resources or his/her designee immediately on returning to work.
4. In requesting personal leave in excess of allotted number of personal, business affairs, illness and death in the unit member's family (father, mother, sister, brother, son, daughter, domestic partner or any other person living in the unit member's household), observance of religious holidays and other similar areas, a letter must be submitted. The length of leave shall be determined by the need in each case. Any days above the three (3) personal leave annual allotment that are requested and are approved can either be taken as unpaid leave or charged to the unit member's sick leave accruals.
5. Unused personal leave days shall be credited to accumulated sick leave.

C. Maternity and Child Care Leave

1. Commencement of Leave

The Board shall grant up to two years maternity and/or childcare leave without pay to teacher aides. Any extension of such leave shall be at the sole discretion of the Board. Such leave must commence whether prior to the birth or adoption (actual custody) of a child or within 60 days thereafter. If, however, the teacher aide has become disabled as a result of the birth of a child, then the leave must commence within 60 days after the disability has terminated. The foregoing may be modified if required by law.

2. Termination of Leave

Teacher Aides that are on leave will provide notice of intended September 1<sup>st</sup> return by August 1<sup>st</sup>. Teacher Aides will provide at least ten days notice prior to intended date of return at any other time of the year.

D. Jury Duty

Teacher aides shall be paid in full for the period of time that they serve on jury duty. A teacher aide shall notify his or her director or appropriate designee and the teacher to whom the aide is assigned as soon as the teacher aide has received notice of jury duty. Said copy of the jury duty notice will be provided to his/her supervisor upon receipt. Documentation from the court shall also be submitted to substantiate time served.
