PS/IS 276 School Auction
Date: April 10, 2019, 6:30pm
Venue: Battery Gardens, NY, NY

Dear Neighbor and Friend;

PS/IS 276 is a public K-8 school serving downtown Manhattan. This is the school's 10th year! We are continuing to grow its awareness and foster a community among local businesses and service providers. Our school benefit/auction will be held on **Wednesday, April 10, 2019**. The annual auction is our largest fundraiser; its success depends on the quality and value of the items available.

Please consider sponsoring our auction. Your contribution, regardless of size, will make a big impact and will support the strength of our children's education on a *daily basis*. The proceeds from our fundraising efforts are budgeted for **school enrichment programs and educational materials not funded by the NYC DOE**, such as music and art programs, math coach, Spanish, chess, teacher development, teacher assistants, writing workshops, technology program, classroom supplies and more. It also gives teachers necessary support and resources to mitigate the impact of overcrowding faced at PS/IS 276. Last year's auction raised over \$130,000.00 and we hope to raise even more with your help! To learn more about our school, please visit our website at www.bpcschoool.org.

Your sponsorship will include your logo in our program, our auction slide show and our school website. Parents are very grateful to corporations and businesses that support our children's education so it is a great way to gain visibility and exposure. Please let us know if you have any questions.

Please return the attached donation form by **March 15, 2019** to the school representative who contacted you, or send it back to us via email springauction@bpcschoool.org.

Please contact us at springauction@bpcschoool.org with any questions.

Yours sincerely,

The PS/IS 276 Auction Committee
