

MATTHEW PATERSON ELEMENTARY SCHOOL  
PHYSICAL EDUCATION  
EXPECTATIONS AND RULES

This is a notice to all parents and guardians about our expectations and rules in physical education class

It is our motto here at Matthew Paterson Elementary School to:

**PLAY SAFE!!!**

**PLAY HARD!!!**

**PLAY FAIR!!!**

**PLAY SAFE:**

- Always be prepared with sneakers on the days you have physical education (if you dress your child in boots due to weather please have them bring in sneakers to change into)
- No food or drink in the gymnasium
- FOLLOW ALL SAFTEY RULES SET BY COACH MEMMEL AND COACH PALMIERI

**PLAY HARD:**

- Always give 100 percent effort in the activities and games we are doing in physical education class
- The gymnasium is a place of learning. It is not recess time.

**PLAY FAIR:**

- Always be a good classmate/teammate
- Be honest about rules

The effort portion of student grades are based on these expectations and rules and both Coach Palmieri and Coach Memmel keep track of students who are unprepared for class, don't put forth effort, and do not follow directions.
