Danielle Weinberg

To be selected, students must have completed at least 4 business education classes (including at least 1 college credit course), have at least an 88 average in those business education courses and have an overall average of 85 or greater. These students have taken various business education classes such as College Accounting, College Management, College Sports Marketing, College Business Law, Web Page Design, Computer Literacy and Strategies for Success. The benefit to have taken these classes is that these students can take these business and life skills with them into any college or career choice.

Congratulations to all of this year's Business Honor Society Inductees!

CHS Business Education Department
Dave Salvo, Mary Odell, Mike Gizzo and Nancy Cornell
