Did you know that high school and college students provide about 20 percent of all blood donations? However, when school is out on break, young donors often do not donate. The American Red Cross is looking for student leaders who want to help change that statistic and help support the blood supply this summer.

By hosting a summer blood drive, you are helping ensure a stable blood supply exists. Invite your friends to donate while school is out of session. You could earn volunteer hours, an Amazon.com Gift Card* and be entered to win a college scholarship!

To be eligible, a student blood drive coordinator must:

- Be a community-minded high school or college student.
- Coordinate a blood drive between June 1—Aug. 31, 2018.
- Collect at least 25 pints of blood.

Sign up to host a blood drive at redcrossblood.org/LeadersSaveLives or call 1-800-733-2767.

HOPE begins with you.
