## **RE: Request for Volunteers to Participate in the Orangetown Beautification Project**

We are very lucky to have a devoted “Orangetown Beautification Committee” here in Town, a volunteer committee dedicated to the cleanup and beautification of our town. The Committee’s main objective is to actively bridge the gap between the Town and members of our community that are willing to “give back” in terms of time and resources consistent with this effort to make Orangetown beautiful.

With these objectives in mind, the Town of Orangetown is looking for volunteers to participate in the “Orangetown Beautification Project.” Volunteer service projects can include, but are not limited to, outdoor activities such as raking leaves for senior and disabled property owners, property cleanup and simple decorative landscaping. We hope that this newly organized program will also encourage volunteers to develop leadership skills, build social bonds, become team players and care more about protecting our environment.

We kindly ask that you reach out to your staff, students and affiliated community groups relative to this matter to gauge and attract interest in this worthwhile community wide project.

If you know of any local interest by local organizations or volunteer student groups that would be willing to offer their time and effort to this objective, please kindly refer them to Debbie Stuhlweissenburg by phone at 845-598-1847, or, by e-mail at [deborah.stuhlweissenburg@randrealty.com](mailto:deborah.stuhlweissenburg@randrealty.com) to coordinate their involvement in this Program.

I am excited to await and share with you the visual changes that will be borne of this very worthwhile community wide project!

Very truly yours,

Chris Day  
Supervisor, Town of Orangetown
