WELCOME

Welcome back to the 2018-2019 school year in the Pearl River School District!

We are very excited to begin speech and language therapy with our students. It is always fun to watch them grow academically and personally! Just as we get to know your child, we'd like you to get to know us, too!

CONTACT

Always remember to check your child's speech notebook for up to date information regarding their goals and what we are working on. You may always contact us via communication notebook, email, or phone if you have any questions or concerns!

ALL ABOUT ME

The best thing about being an SLP is...

- Mrs. King: "seeing the self confidence grow within students and watching them utilize learned skills with their friends in all settings at school!"
- Mrs. Moore: "watching a student's enthusiasm grow as progress is made!"
- Mrs. Hommel: "seeing that light bulb moment when a concept, strategy or technique connects for a student"
- Ms. Crowe: "teaching students new strategies to help them with their speech and watching them become better communicators!"

THESE ARE A FEW OF MY FAVORITE THINGS..

- Mrs. King: "running and exercising, baking, traveling to new places, and the color purple!"
- Mrs. Moore: "spending time with family, music, the outdoors, health, and fitness!"
- Mrs. Hommel: "reading, traveling, going for walks with my dog and organizing!"
- Ms. Crowe: "traveling, reading, hiking, and cooking!"
