

Every child. One voice.®

Calling all Volunteers!!
Building Bridges: Understanding People with Different Abilities Is Back!
Week of February 26-March 2, 2018
At W. E. Cottle School

Building Bridges is back for its fourth year at Cottle School!
We hope you will join us to make it the best year yet!

- Kindergartners will get an overview of disabilities
- First Graders will learn about people with sight impairments
- Second Graders will learn about hearing impairments
- Third Graders will focus on Autism
- Fourth Graders will be learning about people with physical disabilities, and
- Fifth Graders will discuss learning disabilities.

These lessons will be done in each classroom where the children will get the opportunity to participate in hands-on, interactive activities. Each grade also will also attend an assembly with a wonderful speaker.

We need parent volunteers to make this program a success!!

The time commitment for volunteering is minimal – just 2-3 hours of your time. You will work with 1 or 2 other parents in a classroom to run the sessions. Don't worry! We provide the script, the materials and we will give you a short training.

Training sessions will be held on February 12, 2017, either at 8:30 am and 7:30 pm in the Cottle Auditorium. Please plan to attend one session, which lasts 30-45 minutes.

To sign up to volunteer in your child's classroom, please visit the Sign Up Genius:
<http://www.signupgenius.com/go/20f0f44aea82ba2f49-building1>

Questions/comments about volunteering may be directed to Tara Zegers (tfappiano@aol.com) or submitted through the Sign Up Genius.

We are looking forward to another wonderful Building Bridges Week!
