Building Bridges is Back!!!

Building Bridges: Understanding People with Different Abilities
Monday, February 25 - Friday, March 1, 2019
William E. Cottle School

Help us make Building Bridges' 5th year a success! We need parent volunteers for each class.

- Kindergartners will get an overview of disabilities
- First Graders will learn about people with sight impairments
- Second Graders will learn about hearing impairments
- Third Graders will focus on Autism
- Fourth Graders will be learning about people with physical disabilities; and
- Fifth Graders will discuss learning disabilities.

These lessons will be done in each classroom where the children will get the opportunity to participate in hands-on, interactive activities. Each grade also will also attend an assembly with a wonderful speaker at the end of the week.

The time commitment for volunteering is minimal – just 2-3 hours of your time. You will work with 1 or 2 other parents in a classroom to run the sessions. Don't worry! We provide the script; the materials and we will give you a short training.

There will be 2 training sessions to be held on Wednesday, February 13, 2019, either at 8:30 am and 7:30pm in the Cottle Auditorium. Please plan to attend one session, which lasts 30-45 minutes.

To sign up to volunteer in your child's classroom, please visit the Sign-Up Genius: <https://www.signupgenius.com/go/20f0f44aea82ba2f49-building2>

Questions/comments about volunteering, please email: Alona Trinidad alonsantri@gmail.com, Charles Zegers charlie.zegers@gmail.com

Thank you!
