The Tuckahoe PTA High School Committee invites all High School Parents to a

College Planning Seminar

Hosted By Barnum Financial Group

Monday, April 16, 2018

7:30 pm, THS Library

This is a wonderful opportunity to learn about and plan for the extra costs of college.

There are five main categories of expenses to think about when figuring out how much your college education is really going to cost: tuition and fees, room and board, books and supplies, personal expenses, and transportation. You can control some of these costs to some extent. And when you know how much you'll need to spend on these expenses, it makes it easier to create a college budget.

Agenda:

- The Path Leading to the College Degree
- Understanding the Cost of Private vs. Public
- The Expenses You May Not Expect
- Shrinking the Price Tag: The Value of Financial Literacy and Financial Aid
