

THE GUIDING KNIGHT

Dear Parents and Guardians,

As we are in the last quarter of the 2016-2017 school year, we can look back to some of the many field trips hosted by the WHS Guidance Department (Old Saybrook Expo, Hartford National College Fair and the Middlesex Clinic Day) which were all great successes. There are many important dates to look for, so please check our school website often and check your email for invitations to Awards ceremonies. Recipients will receive an invitation by email if they are receiving an award or scholarship. Please enjoy our third edition of *The Guiding Knight*. We hope you find the information useful and if you have any questions, concerns or need more information, please do not hesitate to contact us.
