

The guiding knight

Dear Parents and Guardians,

As we begin the 2017-2018 school year, there are many upcoming college visits and events being offered by WHS Guidance Department. The focus this month is on preparing our Juniors and Seniors for their lives after high school. If students would like to attend the presentation of a visiting college, they need to sign-up in Guidance. Please enjoy this edition of *The Guiding Knight*. We hope you find the information useful and if you have any questions, concerns or need more information, please do not hesitate to contact us.

Next Chapter Book Club

A book club for people with disabilities.

The town Librarian, Brittany Mullen is working with Vista and Sarah on this. They will need volunteers to serve as meeting facilitators. Anyone interested should email

Brittany @

westbrook.public.lib@snet.net.

they have a website
