Course Selection Screen

The screenshot shows a web application interface for course selection. At the top left is a navigation menu with icons and labels for: Grades and Attendance, Grade History, Attendance History, Teacher Comments, School Bulletin, Class Registration, Balance, My Calendars, School Information, Athletics Registration, and Athletics. The main content area is titled "Welcome to the Westbrock High School Class Registration System for 2020-2021". Below the title is a paragraph of instructions: "Core courses and suggested electives have already been loaded into PowerSchool based on your teachers' recommendations. Click on 'View Course Requests' to review these. Use this screen to choose the remainder of your courses for the upcoming school year. You must choose at least 7 credit hours and no more than 8. Students choosing BOTH Band and Choir may schedule up to 8.5 credits. Students wishing to change one of the preloaded course requests must consult with their guidance counselor". A link "View course requests" is centered below the text. Below the link is a table of course requests. Each row contains a course name, an instruction to click an edit button, and a status icon (a yellow triangle with a red exclamation mark for warnings or a green checkmark for success).
