Shoreline Buddy Baseball is a skill building, non-competitive recreational league for boys and girls with special needs focusing on experience of team play, exposure to a lifelong skill and participation in one of America's favorite past times...Baseball!

The league fosters friendships and breaks down barriers. All involved will have fun as friendships are formed and skills are developed.

BE A PLAYER: (ages 4-21) Experience the thrill of participation and team play while being cheered on by a crowd by friends, family, and the community. Each player is paired with a "Buddy" to assist the player as needed.

BE A BUDDY: (ages 10-21) Help encourage our players, keep them safe, share in the excitement of the game, create a fun and successful opportunity for each player. All while earning up to **14 hours of community service credits.**
