In accordance with Board Policy #1800 & #6244, the Board of Education will not consider the acceptance of a gift until and unless it receives the offer in writing. The Board would prefer the gift to be a general offer rather than a specific one, and that the donor work first with the school administrators in determining the nature of the gift. The Board will safeguard the district, the staff, and the students from commercial exploitation from special interest groups and the like.
