

SWIVL TRAININGS

**Sponsored by the Lower Hudson Teacher Center Network
with funding provided by NYSUT**

In this 2-hour training workshop, you will learn how to use this recording tool that swivels an iPad or smartphone camera to follow you throughout the classroom. We will be using special markers to hear students in discussion groups. At the end of the workshop, you will have an opportunity to evaluate your practice for self-reflection. Cost for each individual training is **FREE**. Pre-registration is required. If interested in attending one of these trainings click the information below:
