Welcome to Nyack Public Schools Transportation Office. I would like to take this opportunity to share with you some information regarding the District's Transportation Policies and Guidelines.

- *All students in grades K-8, living more than one (1.0) mile from school, and all students in grades 9-12, living more than 1.5 miles from school, will be transported.*
- *All pick-up and drop-off times are approximated. Please have your child/children at their assigned stop 10 minutes prior to the pick-up time indicated on their bus card.*
- *The District uses universal bus stops which best serve the District as a whole. Any request to change a stop location must be on the Request for Bus Stop Change Form found on this website.*
- *Our buses travel throughout the entire District and it is possible for students to be on the bus as much as forty-five minutes.*
- ***Parents/guardians must meet kindergarten students at their assigned bus stop. The student will be brought back to their school building if they are not met.***
- *Any transportation change must be requested in writing.*
- *This change, if approved, can take up to 1 one week to 30 days to take effect.*
- *Riding the bus is a privilege and we ask parents/guardians to discuss with their children how to properly behave on the bus.*
- *All District buses have video cameras.*

*The District is committed to the safety and well-being of your children.
If you have any questions or concerns, please e-mail or call.*
