

The USDA recently published the Competitive Foods Interim Final Rule. The standards, required by the Healthy, Hunger-Free Kids Act of 2010, encourages schools to offer healthier snack foods to children, while limiting junk foods. The terms “competitive foods”, “smart snacks” and “a la carte” can all be used interchangeably. Below you will find the a la carte items for Carmel Central School District, all of which meet the USDA standards.

The *Smart Snacks in School Standards* are as follows:

- Any snacks sold in schools must:
 - Be a “whole grain-rich” grain product; or
 - Have as the first ingredient a fruit, a vegetable, a dairy product, or a protein food; or
 - Be a combination food that contains at least ¼ cup of fruit and/or vegetable; or
 - Contain 10% of the Daily Value (DV) of one of the nutrients of public health concern in the 2010 Dietary Guidelines for Americans (calcium, potassium, vitamin D, or dietary fiber)
- Snacks must also meet several nutrient requirements:
 - Calorie limits: ≤200 calories
 - Sodium limits: ≤200 mg
 - Fat limits: Total Fat: ≤35% of calories; Saturated Fat: < 10% of calories; Trans Fat: zero grams
 - Sugar limit: ≤35% of weight from total sugars in foods

Beverages are held to their own USDA standards and different grade levels have different guidelines they must meet. Below you will find the variety of beverages sold within the Carmel Central School District and which beverages are sold throughout the different schools.
