Dear Parents/Guardians:

This is to inform you that Advanced Placement examinations will be administered from Monday, May 6, 2019 through Friday May 17, 2019. **It is imperative** that all students who are enrolled in an Advanced Placement Course take the corresponding Advanced Placement Examination. Taking the examination is an integral part of the total advanced placement experience. Moreover, achieving a level 3, 4, or 5 on the examination may yield college credits dependent upon transfer requirements outlined by the college and/or university your child chooses to attend.

At this time your son/daughter has paid the necessary deposit for his/her examination(s). The final balance will be covered by a grant that was awarded to the district to support our Advanced Placement Program.

Transportation will be provided to and from the testing location for both morning and afternoon examinations. The examination and bus schedule are enclosed. **All students must report to the high school by 7:15 a.m.** Written permission is necessary for those students who will not ride the bus or return to the high school after their examination(s). Please return the attached form to Guidance Room 134 before April 25, 2019.

Respectfully, please review the schedule with your child and make note of the date(s) and time(s) of the examination(s) for which your child is registered. We are confident that with our collective efforts, your son/daughter will be successful.

We wish our students well as they prepare for their Advanced Placement Examination(s). If your student is unsure if he/she is scheduled for an Advanced Placement examination, please have him/her consult with their school counselor as soon as possible.

Thank you for your continued support and attention to this matter.

In Partnership,

Mrs. Stacie Reid  
Director of Guidance
