===== College Application Process Tips =====

- 1) **Visit A Campus-** Campus tours will help you narrow down prospective colleges by showing you what you like and dislike.
- 2) **Apply Early-** Do NOT leave your college applications until the last minute. The earlier the application, the better your chances of getting in.
- 3) **Proofread EVERYTHING-** Make sure you check for spelling and grammar mistakes. Have multiple people proofread your college essay too!
- 4) **SAT/ACT Retakes-** Taking the SAT/ACT more than once may improve your test score because you would be familiar with the test format.
- 5) **Choose Recommendations Wisely-** Pick teachers, counselors and others who know you well that will be considerate in writing their recommendations.
