College Application Process Tips

1) **Visit A Campus**- Campus tours will help you narrow down prospective colleges by showing you what you like and dislike.
2) **Apply Early**- Do NOT leave your college applications until the last minute. The earlier the application, the better your chances of getting in.
3) **Proofread EVERYTHING**- Make sure you check for spelling and grammar mistakes. Have multiple people proofread your college essay too!
4) **SAT/ACT Retakes**- Taking the SAT/ACT more than once may improve your test score because you would be familiar with the test format.
5) **Choose Recommendations Wisely**- Pick teachers, counselors and others who know you well that will be considerate in writing their recommendations.
