¡Felicidades! You have registered for Pre-AP Spanish for the 2019-2020 school year. This is the first half of the AP Spanish Language and Culture course. The Pre-AP Spanish class is intended for those who have chosen to develop their proficiency in all four language skills: listening, speaking, reading and writing. We hope that you will continue your study of Spanish next year in the AP Spanish Language and Culture course, when you will take the AP Exam.

Please be advised that **late homework or assignments will lower your grade.** Tardiness and absenteeism will also adversely affect your grade. You are expected to be prepared everyday with all assignments and materials AND to participate actively and constructively in class.

For this course you will need:

- A willingness to speak Spanish **at all times**
- To be in class, ON TIME and prepared with all materials
- Internet capabilities
- Write or type legibly on proper paper
- The phone numbers and/or e-mail addresses of two reliable classmates for when you are absent. You are responsible for any work missed when absent.
