

P.S. 30 P.T.A REMINDERS

November

Following you will find some events and important reminders for November. Please make sure to spread the word to your friends to sign up for the remind app.

Wardwell Avenue Project – Update (Clinton B. Fiske Avenue between Leonard & Water Avenues): The sewer installation around the school itself has been completed. However, please continue to give yourself plenty of time in the morning for parking since they are still working on nearby streets.

Building Construction: Construction has begun on the building. New Bridging has been built and the old bridging will be removed. The next step is for the scaffolding to be put up around the building. As soon as Mr. Ihne has more information he will share it.
