

P.S. 30 P.T.A REMINDERS

AUGUST/SEPTEMBER

We hope everyone has had a wonderful summer and hope you enjoy your Labor Day weekend. Just wanted to send a few important dates and information to get you ready for the new school year.

Wardwell Avenue Project (Clinton B. Fiske Avenue between Leonard & Water Avenues): As many of you know the streets around the school have been under construction due to the Storm Sewer Installation. The installation is expected to start on August 30 and go to September 28th, 2018. Once school opens they will be working on Leonard between Deems and Jewett and on Fisk by Waters Avenue. Both areas will be open for arrival and dismissal but will be closed the rest of the day. Please prepare accordingly and give yourself plenty of time in the morning.

We have also updated our P.T.A. page on the school website www.ps30.org so please check it for updates throughout the year and don't forget to spread the word to your friends to sign up for the Remind App for important reminders if they have not already done so.
