COURSE WAIVER FORM

You have requested placement in a class against the recommendation of the teacher. To assist you in making the best decision about what course(s) to select, please consider the following:

1. There are recommendations which provide guidelines as to the criteria which have been shown to be necessary for a successful experience in a course.
2. There are differences between the recommended class and the class you desire. Each course level has a certain pace and expectations for quality of work. Accelerated courses have increased rigor in terms of pacing and depth of material covered as well as additional expectations.
3. If you decide to return to a standard level after the school year begins, we cannot guarantee a favorable schedule change. For 8th grade students, Algebra 1 and Earth Science course changes are not permitted after December 1st.

**** Waiver Form must be signed by all parties indicated below and submitted by student to their counselor no later than April 13, 2018.***
