Dear Parent / Guardian,

Its time to start getting excited about school pictures! Class Act Photographers will be taking individual photos on **Wednesday, October 24th, and class photos on Friday, October 26th.**

Your child's portrait is something that both of you will cherish for years to come so we encourage you to dress your child appropriately and remind them to bring their best smiles.

Here is some helpful information for Photo Day:

- *Please fill out the attached Class Acts form with your child's name, teacher, class, and your background selection.*
- *Please send the form, and exact payment in cash or money order made out to PS 34 Oliver H. Perry PTA, Inc., with your child on Photo Day, Oct. 24th, not any time sooner.*

If your child is absent on Oct. 24th, you will have the opportunity to have his or her individual photograph taken in January.

Siblings can be photographed together on retake day in January. Additional envelopes will be available for your package selection and payment. Include the names of each child, teacher, and class.

Every 5th grade student will have his / her picture taken on Oct. 24th, even if no form or payment is received. These pictures will be used for the 5th Grade yearbook.

Thank you for participating in this fundraiser! THIRTY PERCENT OF PROFITS GO TO THE PTA!
