We need your help to make it a success!

Families will enjoy a night of ethnic foods and music prepared by our families. It's a great opportunity for families to represent their culture through its unique cuisine, music etc. It will be an exciting and fun event!

In order to make this night a success we need you to partner with us. We are asking for donations & contributions of ethnic dishes that represent your culture and other items.

If you would like to contribute a performance or in any other way, please contact Ms. Kowalski, Dkowsalski@schools.nyc.gov or 718-389-5842.

Please check and complete the form below if you are able to bring something and/or if you are interested in assisting with the event. Return the form below to your child's teacher by December 10, 2018.
