**To apply for positions:**

Positions will be posted on Metro-North Railroad Website: <http://mta.info/mta/employment/>

Have an updated version of your resume in Microsoft Word format. Register to create a profile if you do not already have a username and password to log in. Once you have determined that you are interested in one or more position, you should select the particular jobs and add them to your Job Basket. Your Job Basket collects all the positions for which you wish to apply and puts them into one list. Next, click the "Apply for Jobs in my Job Basket" button. You will then be asked to log into the online application (as a returning user) or create a new login and password. You should write down and retain your user name and password for future reference and use. When your online application is submitted, you will receive an immediate SUBMIT CONFIRMATION notification.
