2016-17 CALENDAR OF BENCHMARK AND NEW YORK STATE ASSESSMENTS**

**NOTES:**

- Kindergarten students will be assessed with the DRA2 in the fall as they show readiness as readers. All K students are assessed in January/February.
- The DRA2 is administered until students reach an Independent level of 40, then the TC Running Record is used.
- When administering the DRA2/TC Reading Inventory in the fall, begin with the lowest readers; when administering in the spring, begin with the highest readers.
- TC Running Records may be utilized for progress monitoring.
- Students in RTI who have not met the benchmark for a given AIMSweb assessment that is not assessed at their current grade level will receive out-of-grade progress monitoring until they meet the benchmark.
- Scores are to be submitted no later than 2 weeks following the close of the testing window.
- The Intermediate or Elementary Spelling Inventories should be administered off grade level as students show readiness.
- The MAP is administered to all Grade 9 students in the fall, and to those students in AIS/RTI in winter and spring.
