SUMMER IS ALMOST HERE!

As the school year winds down, the FRC has been busy helping students stay on track, providing camp assistance to families, and planning FRC goals for next year! Until that very last day of school, the FRC remains YOUR connection to school and community.

Have a happy, healthy & safe summer!

HAPPENINGS:

Mr. Johnson hosted his monthly **Principals' Breakfast** on April 28th where he discussed transitions between grades and new course offerings at NMS. The FRC provided information on local summer camp programs.

On May 10th, the FRC made a **Summer 101 Presentation** during the PTA's final meeting of the year. Mr. Johnson also discussed a new school-wide initiative to create a more positive and inclusive school environment: **Community Building Circles**.

Community Building Circles are a process of communication aimed at building community, respect, and positive behavior among students.
