## SUMMER CAMP TIME IS HERE ... And the FRC can help!

As we dig out of the snow, thoughts turn quickly to spring and, believe it or not, to summer plans for your family.

Finding the right summer camp for your child is not always easy. What do they like? Sports? Art? Music? Theater? Science? Technology? Cooking? Day camp or sleep-away? There are many, many choices in Rockland County and in other nearby areas.

To help you get started, here are some great websites to check out, as well as a comprehensive summer camp resource list created by InfoRock. This information is provided as a guide in finding the right summer program(s) for your children. Keep in mind that program information is always subject to change so please contact individual providers for the most current information, dates and costs. **For additional assistance (i.e. STEM camps, scholarships, etc.) contact the FRC at 845-353-7214.**
