SUMMER CAMP TIME IS HERE ... And the FRC can help!

As we dig out of the snow, thoughts turn quickly to spring and, believe it or not, to summer plans for your family.

Finding the right summer camp for your child is not always easy. What do they like? Sports? Art? Music? Theater? Science? Technology? Cooking? Day camp or sleep-away? There are many, many choices in Rockland County and in other nearby areas.

Here are some great online resources. Keep in mind that program information is always subject to change so please contact individual providers for the most current information, dates and costs.

For additional information and tips on how to choose the right camp for your child, contact the FRC - 845-353-7214.
