

Celebrating Shakespeare's

Birthday, April 23rd

Students in each grade were invited to fill out a little form indicating a Lesser-known Shakespeare work, so from *Timon of Athens* to a *Winter's Tale*, NMS students

were rewarded for learning about the Bard of Avon- with either Popped Maize or the juice of a fruit in a sack. (universally acknowledged to be Will's favorite snacks at Stratford ~on~ Avon Middle School.)

Naturally, a panoply of simply gorgeous sources were provided from which to learn about his works!
