

Dear Parents,

As we get closer to the start of school on September 1st, I am certain there are questions you have about the opening of Westbrook Public Schools. As you know the plans are evolving based on local needs, the spread of COVID-19, and data that is updated constantly. The district plan is posted on the home page of our website at www.westbrookctschools.org. It is a broad plan that addresses three different scenarios based on the level of threat from the virus.

An informational broadcast will be held on Wednesday, August 5th at 6:00 PM to discuss the district plan. The administrators and I welcome your questions and will answer them based on our most current information. Please complete the form available at the following link to submit your

questions: <https://docs.google.com/forms/d/e/1FAIpQLSfwJ1OnhkrEMVYuGzprjPneYuYU15TV39b1diVPWXLnQoo-Ag/viewform>. It is also available on our Covid 19 page at <https://www.westbrookctschools.org/covid19> in the link titled "Public Feedback for Re-Opening".

The webinar will be broadcast on the district YouTube channel: <https://www.youtube.com/channel/UChi6y2EA0g-bsJmypyAxnbQ>

Follow up informational sessions will be held by school principals with specific details about how each level will respond to reopening its doors. An invitation will be sent within the next two weeks. Additionally, an informational program from the Athletics Department is scheduled for August 11th at 5:00. The link will be sent out in a separate email.

We look forward to getting back to school and the opportunity to work with you and your children.

Sincerely,

Patricia Charles
