Dear Parents and Guardians:

Your child has failed the course(s) and/or exam(s) listed on the enclosed failure notice(s).

We strongly suggest that your child attend summer school. Summer school gives your child the opportunity to remediate courses failed during the academic year and to retake any previously failed state exams. This is important as a passing grade for a course or state exam taken during the summer school can be used to fulfill graduation requirements, and also to keep students current with the credits needed to maintain their grade status as sophomores (5.5 credits), juniors (11 credits) and seniors (16.5 credits). Please note the following details regarding summer school:

- Your child must have obtained a minimum 55 final course average to attend summer school;
- Students will be permitted to enroll in two (2) credit-bearing courses;
- Summer school will be held at Fieldstone Middle School, Thiells, NY;
- Summer school begins on July 10 and ends August 15;
- On the first day of classes, July 10, all students must report to summer school at 7:00 AM to receive their schedules;
- Participation Policy: The following policy applies to all summer school students and is strictly enforced.
 - Students are expected to be in class when the period begins.
 - Any absence will cause a loss of 2 participation points.
 - Any tardiness or missed class time in excess of 15 minutes will cause a student to lose 2 participation points.
 - Any tardiness less than 15 minutes will cause a student to lose ½ participation point.
 - Any student with a loss of greater than 6 participation points will not earn a course grade.

Regents are scheduled for August 16 and August 17 at Fieldstone Middle School.

To register for a Summer School Course and/or Regents Exam, your child must fill out a registration form with their counselor between June 22 and June 28 from 8:00-11:15 AM and 12:30-2:30 PM at Nyack High School. Students may also register beginning July 2 at the Regional Summer School Office in Thiells, from 7:30-11:00 AM. **The deadline to register is July 6, per the Regional Summer School Administrative Team.**

After July 6, if your child still needs to register for a **Regents Exam ONLY (not a course)**, they must register directly at Fieldstone Middle School but no later than July 20 11:30AM.

Rockland BOCES offers an optional *Regents Review Course* for a fee of \$200. If interested, students must register for this review course directly at Fieldstone but not later than July 20, 11:30 AM. (See brochure for more information.)

Please review the enclosed summer school brochure for details. On the back of this letter, please find the bus schedule for summer school.

If you have any questions, please contact your child's counselor.

Sincerely,

Lorraine Longing
Director of Guidance K-12
