

Please consider supporting the Snack Buddies program that two 10th graders from Tuckahoe High School, James Galati and Matthew Kern, started last year here at Cottle. Children receive breakfast and lunch at school through the Free & Reduced Lunch Program, but no snack during the school day. Last year Snack Buddies filled in this crucial gap, providing healthy snacks for children in need and for children who may have forgotten to bring their snack to school. They are asking the Tuckahoe School Community to help make Snack Buddies a success again this year by donating healthy snacks. Providing snacks will boost the student's energy and improve their focus to learn and perform their best. If you would like to help support the Snack Buddies program, please consider donating snacks to our Cottle students. **They will be collecting snack donations at the Cottle Back to School Night on Monday, September 24th from 6:30-7:00 or can be dropped off at the main entrance from September 25-28th.** There will be bins clearly marked as Snack Buddies. They are asking for individual wrapped healthy snacks that are peanut free. Thank you in advance for helping us get Snack Buddies started again for this school year and providing healthy snacks to our Cottle Students who may be in need.
