

Every child. One voice.\*

## **February 12<sup>th</sup>-16<sup>th</sup> is National Random Acts of Kindness Week.**

**Random Acts of Kindness Week** is designed to call attention to the value of kind actions and gives everyone a chance to experience the joy of passing along kindness to others.

Below are the planned events for the week of February 12<sup>th</sup>-16<sup>th</sup>:

### **MONDAY**

#### ***Theme: Make Someone Smile Monday***

Students will be provided with a post it to hide in a book within their classroom library. They will be asked to write a phrase or word of kindness that will be discovered by a classmate at some point.

### **TUESDAY**

#### ***Theme: Take Action Tuesday***

Each class will be provided with a bag full of "kindness coupons". Teachers will have the children draw one out and the students will be challenged to accomplish the kind deed by the end of the day.

### **WEDNESDAY**

#### ***Theme: Write it Wednesday***

In honor of Valentine's Day, the PTA will provide all classrooms with cut out hearts. Teachers are asked to have their students write their names on their hearts and then pass them around the classroom where every child can write one kind word about each classmate. (on the heart) Today's activity teaches the power of words and how one kind word can have the power to change a person's day! Students will go home with a heart filled with kind words describing them. Sure to make them feel good!

### **THURSDAY**

#### ***Theme: Team up Thursday***

*There's no "I" in team. Today, students are asked to dress in orange and black, Cottle's school colors, as a way to show school spirit, unity and teamwork. Today's exercise shows students that even though we all have our differences, we too, have similarities, and by dressing alike we are uniting behind a common cause – celebrating school spirit as Cottle Cubs.*

*Also, 5<sup>th</sup> grade students will be chosen and asked to read selected kindness books (thanks to our PTA and librarians) to Kindergarten classes.*

### **FRIDAY**

#### ***Theme: Feed them Friday***

***Students will be asked to bring in a donated food item to support a neighboring food pantry or organization. (to be determined)***

***Random Acts of Kindness Week is sponsored by  
the Tuckahoe PTA Community Service Committee***
