

October 7, 2017

Dear Parents:

We hope everyone enjoys a nice, extended weekend. It's a good time to reflect on all that has occurred here at WEC during the first five weeks of school. By now, all routines should be in place. Most, if not all, benchmarking is complete. Our support staff is in their routine of supporting our classrooms and students.

Thanks to TASC, our PTA, and other independent providers, our after-school programming is in high gear, allowing our families a safe, engaging, fun place for their children.

Our school safety procedures are a priority, with the most difficult procedures and decision making to come.

Grade levels are working as cohesive units. Common Planning Time is being used in the best, professional spirit. I believe each and every Cottle family has given our faculty and staff the gift of an outstanding start of the school year. The Golden Rule seems to be in place, as it should be. It is always a good time to recognize our TAs, aides, and custodial staff. They keep us together.

Dates to remember:

October 9th: Schools are closed for Columbus Day

October 16-19th: Scholastic Book Fair (Auditorium)

October 20th: PTA Halloween Party, 6 PM (K-2) 8 PM (3-5)

October 31st: Rag-a-Muffin Parade

November 7th: No school for students, Election Day

December 20th: Winter Concert

Sincerely,

*Louis Cuglietto and Peter Kilgallen*
