

## **Tuckahoe After School Care T.A.S.C.**

TASC offers affordable and appropriate before and after school care for students Kindergarten thru 7th grade. Since we offer flexible schedules and convenient tuition plans we have a program for everyone!

**Morning Program-** 7-8:30a.m. During the morning program we provide a light breakfast, homework and studying help and quiet games and activities. This program is perfect for any families who have to get an early start on their day and need care before school starts.

**Early Pick-Up Program-**3-4:30p.m. During the afternoon program students are provided with snack, receive individualized homework help and most importantly are able to socialize with their peers while participating in a wide variety of activities. This program is perfect for students who are participating in afterschool activities scheduled at Cottle like dance or chess and for students who are interested in TASC enrichment activities like cooking and color wars.

**Late Pick-Up Program--**3-6:30pm For families who are in need of full time care this program offers homework help, multiple snacks, and participation in all TASC lead enrichment activities.

**\*All of our programs are available for full time enrollment, 5 days a week or part time enrollment, 1-4 days a week\***

**Occasional Use Program-** This program is designed for families who will only be using the TASC program a few times throughout the school year and would like to pay daily for attendance. Perfect for anyone who would like to have TASC as a safety net in case of an emergency. Also perfect for students who would like to coordinate "play dates" with their friends during TASC.

**Expanded Day Program-**TASC will offer expanded day programs on days the school building is open but the students are not in session. This includes Superintendent conference days and half days of school.

Please follow the below link to register for any of our programs! Thank you and please let us know if you have any questions.
