Dear Parent/Guardian:

Enclosed is an application for transportation to a non-public school. If your child will be attending an out-of-district non-public school in the 2020-2021 school year and he/she will need school bus service, this application must be completed and returned by regular mail, email or fax to the address listed on the form by **April 15, 2020 (this deadline has been extended due to the COVID-19 Crisis). This deadline is a State mandated deadline and there are no exceptions. Along with the application, two (2) proofs of residency must be submitted. Proof of residency consists of a copy of your deed, co-op shares, property tax bill or current lease (valid thru June 2021) along with a Con Edison bill, water bill or cable bill.**

This application must be received by the April 1st deadline as required by New York State Education Law. Applications received after April 1st will not be approved.

Applications for children entering Kindergarten must be accompanied by a copy of their original birth certificate. Applications for busing to a school more than 15 miles from the student's home cannot be approved.

All eligible students will be routed and bus stop locations and times will be sent to you in August. **No busing will be provided on orientation days, legal holidays (Labor, Columbus, Veterans', Thanksgiving, Christmas, New Year's, Martin Luther King, Presidents' and Memorial Day) or any day one of the B.E.P.T. (Bronxville, Eastchester, Pelham & Tuckahoe) Districts are closed due to weather conditions. Also, if any one of the B.E.P.T. Districts has a delayed start, your child will be picked up on a delayed schedule.**

If you change the school your child will be attending or know that your child will not use school bus service in 2020-2021, please contact my office. If there are any questions about this application, please call 337-6600, extension 1262.

Sincerely,
