PRINCIPAL'S NEWSLETTER TO PARENTS

Dear Families,

It was exciting to see how many of you attended orientation sessions in your child's classrooms. For the families who were unable to attend, all orientation packets are posted on the school website. As you may have begun to observe, many educational initiatives are under way. Second grade will be starting "The Second Grade Swim" at the Chinatown Y.M.C.A. and dance and movement with Chen Dance Studio. First and kindergarten will be participating in the Chen Dance Program later in the school year. Third graders will start their cycle of soccer instruction with The New York City Football Club. Our upper grades will be embarking on a yearlong instrumental program with Third Street Music School and our fifth graders will be ballroom dancing with Dancing Classrooms. Our piano was delivered by "Sing for Hope" and our water collection rain barrels, in collaboration with Barrel by the Bay, are on their way to being beautified, as we learn about water conservation. Please check School CNXT for updates on these great programs.

Please note that on October 9th schools will be closed in observance of Columbus Day.

Sincerely,

May Wong Lee
Principal
