4. C-30 Process

Mr. Lodico expressed his regrets for not being able to make the SLT meeting he had a prior engagement. The C-30 process was discussed. Once the position is posted and applications are obtained the process must move steadily since there is a 90 day time limit from application deadline through selection of a principal, therefore the SLT will play an integral part in the process. From selection of committee members through interviews and rating of candidates to present to the hiring manager. The hiring manager for Principal positions is the Superintendent.
