Dear 8th Grade Families,

Welcome back! As you begin to think about which high schools are right for you and your child, it is important to do your research. Using the Directory of New York City Public High Schools, you can begin to research schools and programs of interest to you. You should receive a HS Directory to your home by October. If you did not receive the Hs Directory, please email HSenrollment@schools.nyc.gov.

These resources can help you find schools for your high school application:

- **MySchools.** Explore NYC public schools and programs, find choices for your application, and apply—all in one place. Use [MySchools](#)(Open external link)
- **2020 NYC High School Admissions Guide.** Find high schools and programs by borough. Learn how programs make offers and what makes a balanced application. Scroll to the Documents section of this page to view or download this guide :

In addition to this research, you should set aside time this fall to attend Admissions events. In the fall of 2020, you should keep up to date on the High School Borough Fair. Please note due to COVID-19 the locations and times are subject to change. To keep up to date on any HS information please visit :
