Dear 8th Grade Families,

The High Schools on Staten Island have released Open House/Information Night videos, written information, and links to some live virtual events, as a replacement for the in-person events that they are not permitted to hold. Please click on the links below to find out information about each school. Please check the school websites often, as additional dates for live remote events may be added. As soon as we receive updates from the High Schools, we will be in immediate contact with the school community.
